

User Manual

BioTime 8.0 License Activation

Version: 1.0

Date: April 2019

Software Version: 8.0.1 or above

1. Overview

We have two ways to activate BioTime8.0, online activation and offline activation.

2. Online Activation

This method is used for activating the software using internet connection. In case of re-installation of software, please use this same method to activate the software again.

2.1 Enter **About** page. Here are two ways to enter:

(1) In Login page, click the quick link **About**.

(2) After Login, put the mouse on the icon , it will show you the menu, click **About**.

2.2 Click **Online Activation**, and fill out the authentication information, that means the super user's username and password.

The screenshot shows a window titled "ZKTeco" with a close button in the top right corner. The window is divided into several sections:

- Software Version:** 8.0.1 (Build:20190417.2262)
- Authorized Information:** Customer Code [20190425](#), Used Device [1/2](#), Used Employee [3/Unlimited](#), Used APP [0/1](#), Authorized Date, Expired Date [Permanent](#), Authorized Company [Free Version](#)
- License Activation:** [Online Activation](#) (circled in red), [Download UPK](#), [Offline Activation](#), [Online Upgrade](#), [Export License](#)
- App Download:** Two QR codes are shown, one for the [App Store](#) and one for the [Play Store](#).

The screenshot shows an "Authenticate" dialog box with the following fields and buttons:

- Username*:** A text input field containing the text "admin".
- Password*:** A password input field with five black dots representing the password.
- Buttons:** A green "Confirm" button and a white "Cancel" button.

2.3 Fill out the registration information, click **Browse** button to select **XX_SN.xml** file which is from the sales, click **Active** button, you will activate your software.
